

## PARASAILING TOURS

Set sail high above the pristine waters of Marco Island, the Gulf of Mexico and the Ten Thousand Islands and enjoy a unique way to experience our amazing wildlife. Our friendly and knowledgeable staff has been providing guests with fun and excitement for the past 30 years.

We own and operate 2 ten passenger winch boats and our expert care guarantees the quality and complete satisfaction you deserve.

From a sitting position on the back of our boats, you will gently and slowly be raised high into the air above Marco Island's expansive shoreline. Experience a breathtaking panoramic view of the Gulf of Mexico and see dolphin, manatee, and stingrays from 350+ feet up. You can fly solo or, if

you prefer, in a side-by-side tandem or triple flight. At the end of your tour you will be gently pulled down to land standing up on the back of the boat - arriving energized from your tour.

Our Parasail boats are available for exclusive charters and groups can rent the boats hourly for their own private adventures. We offer a discounted rate of \$720++ per hour per boat to our groups

who book in advance. We depart directly from the hotel beach which saves transportation cost as well. Our unique and eco orientated adventures are a perfect way for your group to enjoy the fabulous Florida sun.

We handle all the planning so you can enjoy every minute of the unique adventures that build and enhance camaraderie within your group.

We look forward to creating your group's program, and many unforgettable memories. Have a wonderful day!
